

The Charismatic Charlie Wade Chapter 2454

Chapter 2454

At this time, Grandpa Su shook his head lightly, and said: "Maybe Stuart didn't manage this matter well, but I still have no doubt about his loyalty."

Shoude hurriedly added fuel and jealousy: "Dad! As the saying goes, knowing people means knowing their face and you don't know their heart! You have always valued Stuart, but who knows whether Stuart will betray you under the lure of others' interests?"

Elder Su snorted coldly, "Shoude, don't you even see such a basic question? It really disappoints me!"

"Ah?" Shoude didn't know why the old man said this suddenly, and said hurriedly, "Dad, forgive me for being stupid, and please tell me."

Old Su asked coldly: "If someone can buy Stuart to deal with the Su family, then why should he let Stuart deal with Zhiyu? Is Stuart my personal guard or the captain of the guard! He can totally buy Stuart to kill me. Even they can't kill me, they can at least create a big threat to me. Why spend so much effort on a girl in Zhiyu?"

Shoude understood in an instant, the cold sweat immediately wetted his back, and he thought to himself: "I didn't expect the old man to be so difficult to flicker...It seems that I can't continue to forcibly shake the pot to Stuart, otherwise the old man will definitely notice the abnormality! "

Thinking of this, Shoude immediately changed his face and said in agreement: “Dad, when you say this, I immediately stopped. It seems that he should have not betrayed you, but since he has not betrayed you, where is he now and the whereabouts are totally unknown. This proves that the people who secretly manage the whole thing are very strong! We must be cautious!”

Father Su rubbed his temples: “I haven’t considered the master behind. I still have many other questions I can’t figure out. I can’t figure out why Shred was shot? Judging from the pictures on the scene, the car crashed into that one. Like a ghost, Shred will definitely die even if he is the king of heaven. Why would someone give him a shot? Why do you need to give him this shot?”

Shoude also looked puzzled and said, “It’s really like this! On the high-resolution picture you just asked for, you can clearly see that Shred’s abdomen and lower body are smashed into a puddle of mud. There is no need to give him his one head shot...”

Father Su frowned and muttered: “Let me think about it... Since the accident happened as scheduled, it proves that everything was still going according to plan until the crash, in other words, when the crash happened. , Stuart must have been there...”

As he said, the old man replied a little bit in his mind: “Since Stuart was at the scene, how would he react when he saw Zhiyu sitting in Shred’s car?”

Shoude can only follow the old man’s words and say: “If Stuart didn’t betray you, then he must be shocked when he saw Zhiyu...”

“Yes!” Old Su nodded, “Stuart found that Shred had also got Zhiyu into the car. He would be shocked, angry, and even scared...”

Speaking of this, Old Su continued: “In this case, Stuart and Shred will definitely have a conflict. He will definitely question Shred, who in the end caused him to hurt Zhiyu...”

Shoude was shocked when he heard this!

“According to the analysis of the old man, then Stuart may have extracted the key information from Shred...”

“Although I didn’t contact Shred directly, I also let someone contact his family, and then asked him to do it with the stinky girl Zhiyu...”

“If the old man knows this information, he must know that the person who wants to kill the fish is the Su family...”

“At that time, I will be the biggest suspect...”

Thinking of this, Shoude hurriedly said: “Dad! I think some netizens have begun to suspect that our Su family is behind the boss. Now our top priority is to quickly do crisis public relations!”

Mr. Su gently nodded and blurted out: “Immediately conduct crisis public relations, and at the same time, through the media, strongly condemn criminals like Shred. At the same time, announce we are offering a reward of 50 million for valuable clues! Whoever saves the mother and daughter, they will be rewarded one hundred million!”
