

Returning from the Dead: His Secret Lover

Chapter 91

"Ian, what should we do now that Mommy is taking you to the doctor? Didn't I tell you to be more talkative and smiley like Matt?"

Ian was speechless.

I...don't know how. How would I? I'm used to living alone in a big house, and everyone around me has a cold attitude. Isn't it weird if I grew up having a cheery personality? Besides, is it even easy for me to change just like that?"

After frowning for a while, he suddenly broke into a confident expression.

"No worries! You'll see!"

"What? How can you lie to a doctor for being sick if you're not?"

"Stomachache."

"Oh? This should work. Let me tell you something: When I didn't want to go to preschool before, I would always lie to Mommy about having stomachaches. Wow, Ian, you're so clever."

The little girl became happy again. She held Ian's hands with her chubby little hands and looked at him admiringly.

Ian was rather speechless.

A few minutes later, Sasha finally grabbed a cab and took the siblings into the car.

Actually, she was a doctor herself, and she could tell if her kids had a headache or stomachache. But sometimes, mothers were just too cautious.

For example, she was worried about her son falling sick now.

Hence, she must take him to a good hospital to get a blood test or use modern medical equipment to have a medical check-up to play safe. Otherwise, she wouldn't simply send her kids to any hospital.

Sasha was nervous and was holding the "sick" kid on the way there.

But Ian, on the other hand, was enjoying her sweet embrace as he had never been this loved while Vivian was staring at him enviously.

"Mommy, what about your other baby?"

"Huh? What?"

Sasha didn't understand what her daughter meant at that moment until after the chubby little girl climbed from her seat into her mother's arms.

"Vivi, don't come near. Matt will get you sick too."

"No, he won't."

Vivian didn't believe Ian as she knew that he made this up to steal her mother for himself.

Besides, she didn't want to be away from her mother either.

Fortunately, it was only a ten-minute drive from Old Town to the hospital, and Sasha quickly got her children off the car into the building.

"Hi, nurse. It's Matthew Wand. We would like to see a pediatrician, please."

"Pediatrics? It's crowded over there now. How about visiting a specialist instead? You don't have to waste time lining up." The registrar nurse said while clutching the card that Sasha handed over.

That's even better! Nothing is more important than my children consulting a doctor.

After making an appointment with a specialist, Sasha took her registered number and headed to the specialist clinic on the ninth floor.

Meanwhile, Ian was still relatively calm after lying about his stomachache, but when he was suddenly brought to the specialist, his expression changed, and he wouldn't move anymore.

"Matt, why did you stop?"

"I don't want to go!"

Ian forcefully broke free of Sasha's hands and ran away.

"Hey, where are you going? Matt, why are you running away?" she yelled anxiously.

At that moment, in the corridor of the clinic, an old doctor with gray hair wearing a white coat came over. When he saw the little running figure, he was a little startled.

"Mr. Ian? Why is he here?"

"What? That's Mr. Ian?"

"Yeah! Quick, stop him and carry him over. Is there something wrong? Where's his father? Call him now!"

After instructing the other doctors with him, he went after Ian as well.

Sasha was rendered speechless.

When she was staring at the doctors chasing after the boy, she blanked out as if an explosion happened in her head.

Oh my, why did I forget about this?

This hospital is the largest public hospital in Avenport. Since Ian was always sick, he must've been a frequent patient. Besides, the Hayes would've found him the best doctor here.

Good lord, what a stupid thing have I done?

Sasha froze.

Then, she quickly took her daughter and followed after them, but her son, Matteo, was already carried by the doctors!

"Mr. Ian, why are you running away? Where's your father?"

"Who cares about his father? Dr. Lee, take the child and run a check-up on him with me. And you, Ms. Stone, call his father."

"Yes, Professor!"

Sasha almost blacked out.

Oh no, what now? He's not Ian but my Matteo! If they asked Sebastian to come here, he would know about the two children when he went to check at the Empire Preschool!

Will he return my son to me?

Sasha was like a cat on hot bricks. Having little choice, she could only take her daughter, follow after them, and play by ear.

Then, she would take the child away when she got the chance without anyone noticing.

Unfortunately, it was too late. When she took her daughter there, her son was taken to the clinic by the old doctor without asking any preliminary questions.

“Wait! Doctor, I’m sorry, my child is okay, and he doesn’t need to be checked.”

Sasha was losing her mind. How could they run a medical check-up in a fully enclosed room like this? My Matteo is fine! They would only scare him.

Nevertheless, the doctor ignored her after shooting her a glance.

“And you are?”

“Huh? Oh, erm...I’m this child’s nanny, and I’m new here,” replied Sasha guiltily.

“You’re new, eh? Do you know why Mr. Hayes let you send the kid here? We’re actually very familiar with him as he has been coming here since little. Alright, that’s enough talk. You can wait here while I do a check-up on him.”

Then, the old professor disregarded Sasha’s protest and let his assistant carry the boy into the MRI room.

Sasha was rendered speechless.

No, he's not Mr. Ian! He's my Matteo!

Frantic, she wanted to explain once more. However, the computer screen had displayed the test results of the child lying on the MRI bed.

"The pylorus still hasn't closed well, and there's even some swelling. Is there a problem recently?"

"Maybe it's the food again. Poor kid."

After the doctor and his assistant had studied the image projected, they began to discuss distressedly.

After Sasha heard them, there was a buzzing noise in her ears.

The pylorus isn't closed? How? Isn't my Matteo all well and good? Why didn't I know about this before?

Her heart plummeted, and horror surged. She didn't care about anything else and ran to the front of the computer between the two doctors like a madwoman.

"That's impossible! How could it be that his pylorus hasn't closed up? There's no way!"

"Why is it impossible, nanny? This problem has stayed with Mr. Ian. Not only that, his small intestine is shorter than others, and his kidney is not fully developed. Didn't your employer tell you all about these?"

When the doctor saw her denying it like a maniac, he furiously banged on the computer screen.

Sasha finally went silent.

Since she was also a doctor, she understood the contents displayed on the screen, and the doctor was right.

Sasha slumped back into the chair.

When Sebastian arrived, the old doctor had completed the check-up on Ian.

Actually, it was natural and temporary for Ian to be in this situation as he grew up with the problem. His premature birth had caused many physical defects. As long as there were no new problems that occurred, he would be fine.

After hearing the results, Sebastian remained calm. However, when he turned his head, he saw Sasha sitting in a chair in despair.

Her face was as pale as death, and she had a somber expression. She was glaring hollowly into space and lost in thoughts without realizing Sebastian calling her.

What is this woman doing?

He cast his gaze on the little girl standing next to her, but the adorable girl was already staring back at him with black, beady eyes.

As soon as she met his gaze, she immediately hid behind her mother's back timidly.

Whose child is this? Why does she resemble...this pale woman?

Sebastian was taken aback for a second. "Who are you? Why are you here?"

Vivian was shocked by her father's sudden question and immediately buried her face in her mother's chest. "Mommy..."

Mommy? She calls her Mommy?

His face muscles spasmed, his expression hardened, and a wave of anger surged from his chest.

"Sasha Wand, who's this girl? Why is she calling you Mommy?"

"Huh?"

Sitting in the chair, Sasha was finally brought back to her senses by the man's angry questioning. She looked up and saw the enraged man and found her daughter clinging tightly to her and became dumbfounded.

"She...She's..."

"Mummy, let's go. Vivi wants to go home."
